

JASON MCINNES

Performance Training and Horsemanship Clinics

"There are **NO RULES** to educating horses only **GUIDING PRINCIPLES**" This is the foundation to Jason McInnes' Performance Training & Classical Horsemanship. Jason's program is designed to support both the horse and rider to reach their goals, be it open competition, adult riding or pleasure riding. Jason will help you develop a step by step plan that builds confidence and communication for both you and your horse. If you are looking for advice, solving a problem, getting back into the saddle after a break, new to riding or wanting to develop a solid relationship with your horse, **Jason can help.** Clinics are a great way to get you and your horse on the right track, build confidence and brush up on your communication skills.
